REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:
2. The prior art of record fails to disclose or suggest a balloon comprising a circumferential groove located between a proximal or distal cone and the intermediate body, the groove having a smaller diameter than the respective cone and the intermediate body in both the inflated and deflated states. This limitation, in combination with all of the limitations of claims 1, 5, 10, and 15, makes the claims allowable over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
